## PROFESSIONAL SUMMARY

---

I am a cybersecurity analyst who is driven by strong motivation and a keen eye for detail. My primary focus lies in proactively detecting and assessing risks, threats, and vulnerabilities to ensure the protection of assets' confidentiality, integrity, and availability. By safeguarding organizations and individuals, I contribute to maintaining a secure digital environment.

## CERTIFICATIONS

---

- ISO/IEC 27001:2022 INFORMATION SECURITY ASSOCIATE 
- (ISC2) Certified in CyberSecurity 
- Security Operations Center (SOC) 
- Security BlueTeam Junior Analyst 
- (ISC)<sup>2</sup> Systems Security Certified Practitioner (SSCP) 

## PROFESSIONAL EXPERIENCE

---

January 2024 – August 2024  
Islamabad, Pakistan
